Seasoned and independent Front End Developer with a wide range of experience in blending the art of design with the skill of programming to deliver an immersive and engaging user experience through efficient website development, proactive feature optimization, and relentless debugging.

WORK EXPERIENCES

TRAINEE
GRIDEDIT COMPANY

07/2022 - 10/2022   *Egypt*

Import and Export Company.

RESPONSIBILITIES

- We designed dynamic and browser-compatible pages using HTML5, CSS3, jQuery, and Javascript.
- Built single page applications (SPA), responsive web design UI using React.
- Expand features, refine code, and improve processes, producing smoother operations and enhancing user engagement.
- Produced stunning visual elements of web applications by translating UI/UX design wireframes into code while delivering high-quality, reusable markup using HTML5 and CSS 3.
